(if applicable):

Award Category (check only one per entry)

- Public Agency, Board or Commission (includes hospitals, universities, community colleges and foundations)
- Nonprofit

Entry questions

1. Please provide a summary of the strategy and practices implemented by your organization to create a more inclusive board (250 words or less).

2. Has diversity in governance been identified as a specific priority for your board? If yes, when and why? (250 words or less)

3. Did the board establish targets for diversity? If yes, how are these measured and tracked? (250 words or less)

4. What were the challenges that were faced in implementing these policies and/or practices? What did you learn as an organization? (250 words or less)

5. Please comment on anything else you would like the awards jury to consider.
(250 words or less)

Please attach any templates, policies, planning documents, and other relevant materials that demonstrate promising practices in diversity in the governance of your organization.

By submitting this application to the 2008 Diversity in Governance Awards, our organization grants The Maytree Foundation rights, title and interest to reproduce the work referenced in this submission for media, print and electronic purposes.
